

# BUILDING THE BOYS TODAY TO BE THE MEN TOMORROW

## TORRANCE SALUTES BOY SCOUTS CIRCUS and JAMBOREE

### District Gathering — Torrance City Park — Oct. 14

**In the AIR**

He's right on deck when it comes to collecting tin cans for salvage . . . he is ready to solicit for the waste paper drive . . . he saves steadily for War Bonds and does his stint at selling Stamps and Bonds. He's the representative of American youth today . . . the forecast of American manhood who will carry on in the peaceful world that is being won by the men of today.

**On the LAND**

So this Saturday . . . these Boy Scouts from all over the harbor district . . . from Lomita, San Pedro, Wilmington, Gardena and elsewhere gather together to demonstrate and compete in their skills.

**On the SEA**

Not only in their skills in doing so many useful things . . . but in the spiritual values and moral characteristics, interested observers and leaders will note a sharp contrast between these boys and those who have not taken the Scout's Oath and had the advantages of the Scout training.

So to these boys Torrance says, "Well done! We are glad to have you with us . . . Come again soon!"
